## FALL 2006

### Quotes of my moment:

If there were no bad people, there would be no good lawyers. —Charles Dickens

Faith sees the invisible, feels the intangible, and achieves the impossible.

When I work, I work very hard. So I look to work with people who have that level of dedication. And I depend on and expect that from everyone I hire, employ, become business partners with or befriend. —Lincoln J Baringer

It's kind of fun to do the impossible. —Walt Disney

## The Harbor's Most Celebrated Event

*We invite you to join us as the sun sets and the stars light the sky for our 9th Annual Fall Festival Clambake on the deck (weather permitting). Enjoy live background entertainment and a wonderful menu with the ambiance of the brilliant colors of Fall surrounding you. Gourds, cornstalks, cornucopias, and straw barrels fill the establishment with the feeling of Autumn and the heaters on the deck keep everyone warm from the Autumn breeze.*

*The evening of Friday October 6th, 2006 begins at 6:30pm with a cash bar with seating and appetizers starting at 7:00pm.*

*Your first course will be homemade clam chowder served in a dwarf pumpkin and corn bread on the side, followed by two dozen middle neck clams. The entrée will consist of a full lobster, a half chicken, corn on the cob, and baked potato. Dessert is pumpkin gelato over caramelized pears with autumn berries and walnuts.*

*The Clambake is The Harbor's longest running and most celebrated event on our deck (weather permitting). White tablecloths with beautiful centerpieces along with live musical entertainment make for an unforgettable evening.*

**Don't miss out on this sell out event!**

# Coventry Turns 200 Years Old!!!!!!!

As the story tells, the area that The Harbor Inn is located on used to be referred to as WHISKEY ALLEY...a place no woman or child was safe. Bootlegging was the main business in town and some homes and businesses in the Portage Lakes still have underground tunnels which led to only who knows where. The Harbor Inn hosted The Bootlegger Ball on August 10th and was a HUGE success thanks to local residents and our wonderful Township Offi-

cial. (Off the subject for a moment...did you know that The Coventry Fire Department headed by Chief Calderone is one of the country's leading Fire Departments...keep up the incredible and dedicated work! All Coventry residents are lucky to have such a great service...in their backyard!)

## Here's Your Challenge!

Don't miss the celebration on Saturday September 30th when the Coventry Bicentennial Parade strolls down Portage Lakes Drive at 11:00am. There will be countless floats, Fire and Police Vehicles, local organizations, jugglers, friends, family and tons of fun. Vendors will be on the street to quench your thirst and feed your bellies. Candy and give-aways throughout the Parade! Come early and prepare for family fun!

## "Our Family Christmas Party at The Harbor exceeded everyone's expectations!"

"Finally, but most important, the service was excellent!"

The greatest part of having your Holiday, family or company get together at the Harbor is having Ms Jeannie Hopkins plan your perfect event. There is nothing better than word of mouth, so we thought we'd share some testimonials and let you know our holiday parties have gone in the past. But before the testimonials, let us assure you that we won't stop working until we

exceed your expectations and meet your budget.

"We're still a bit overwhelmed at how wonderful you treated our group of noisy, loud, chattering ladies Saturday...for our annual Christmas get together." Another wonderful guest raves, "Finally, but most important, the service was excellent."

Dec 16, 2005--"...the food was excellent, the tables were exquisite, the service incredible...very professional, organized, and polite. I would recommend The Harbor Inn on portage lakes to everyone!" Book Your Holiday and Special Events Today!
